To Whom It May Concern:

I am writing to express my interest in media, journalism, or communication-related opportunities within your organization. As a Broadcast Journalism scholar at Florida A&M University with hands-on experience across multiple student media platforms, I bring a strong foundation in storytelling, content creation, and leadership that I am confident would contribute positively to your team.

Through my experience contributing to student media, I have developed the ability to produce compelling stories focused on campus news and athletics. This work has strengthened my skills in meeting tight deadlines, crafting engaging narratives, and connecting with diverse audiences. Additionally, my roles as a host with FAMU TV-20 and Assistant Sports Director at WANM 90.5 FM have enhanced my experience in live broadcasting, show production, and editorial planning.

Whether serving as 1st Vice President of the Society of Professional Journalists or managing public relations for the Alpha Eta Chapter of Phi Beta Sigma Fraternity, Inc., I strive to amplify voices and create meaningful, engaging content across platforms. I am proficient in Adobe Creative Cloud, Final Cut Pro, and Microsoft Office, which allows me to contribute both creatively and operationally.

I am eager to bring my passion for media and storytelling to your organization while continuing to grow professionally. I would welcome the opportunity to further discuss how my skills and experiences align with your needs and would be grateful for the chance to interview at your convenience.

Sincerely,

Michael Trim Jr.
